POWER FAILURE POLICY
POLICY # G-2019-13

1. In the event of a power failure over ten (10) minutes, the Library/Branch shall be evacuated and closed to the public.

2. If the power is not restored after an (1) hour, the staff should secure the building and leave after approval from the C.E.O.

3. The provided AODA standard sign specifying the reason for the closure should be posted at the main entrance.

4. Each branch must have a phone that will work during a power failure.

5. Each branch must have a rechargeable flashlight.
